TELEGRAMS.

The people of Paris are instructed to provide tood that may be long pre-People that can't fight are advised to leave the French capital. It is said that the Prussians, fearing

McMahou in their rear, have turned back toward Rethel, where a great battle is hourly anticipated. Multitudes are moving from the suburbs into Paris for fear of Prussian French fortresses are making noble

defenses, and giving Paris an illustri-ous example which it will not be slow to imitate.

The French people in Paris are still a compact mass and confident of ultimate victory.

Weissenberg, 16,000 at Woerth, and 9000 at Saarbruck-total, 32,000. S. J. Tilden denies that the Democrats propose requesting Governor Hoffman to convene the Legislature to postpone the State elections. Dan. Voorhies delivery a literary

address in Chicago to-day. The population of Quincy is 24,368, Cotton mills of the Gulf States will send specimens of their products to the great Memphis Fair.

Willey, Mitchell and Roane are held to \$5000 ball for the murder of State Senator in North Carolina. Three hundred thousand men surround Metz, near which there has een much heavy fighting in the last

few days. Near Metz, the French force is more than over-matched by the First and Second Prussian armies, and if these win any advantage the Third Prussian army can overrun France in any direction.

The Prussian army is still moving toward Meziers. The New York Tribune's correspond dent thinks that all France will be

ALABAMA.

overrun.

The Alabama and Chattanooga road has been completed to Eutaw, Alabama, from Meridian, Mississippi. The cars on the Alabama and Chattanooga railroad were running within twelve miles of Elyton last Friday. Mr. J. P. Hodnett was married last

week to Miss Alice, daughter of the late Judge M. C. Lane, of Greenville,

A child of Captain Rogers, of Letohatchie, fell into a pot of boiling water last Thursday week, and died the Sabbath following of its injuries.

Where are the Federal saying that McMahon and Bazaine soldiers and Governor Smith? Let are in communication, us have peace. The delegates from St. Clair county

to the Democratic Convention at Gadsden, had to be guarded to the depot on the Alabama and Chattanooga railroad by the Federal sol-diers, to protect them from the vio-lence of the Springfield party. What a commentary is this on Radical toleration and free government? The Elyton Sun says that Mr. John

Smith, who settled in Jones' Valley, nine miles from that town, in 1816 and who is now seventy-four years Absent: eleven grandchildren and one great grandchild.

It breaks up, plants the cotton or corn, and covers. It has a chopper which can be attached when needed. This The enemy may be before can be attached when needed. This machine is adapted to hilly or prairie land; can be used as well in new ground as in fields clear of stumps and roots. It is an arranged that when it is not believed the Loire.

The enemy may be before Paris by Wednesday. All plans in Paris relate to the defenses of the city.

The Prussians are now in the value of the land of the land of the land. roots. It is so arranged that when it strikes a stump or roots, the whole machine can be raised with one hand by the driver, without moving from his seat, and when the wheels have passed the obstruction, dropped by the same lever.

American Officers in Egypt.

Washington, August 26,-The State Department has recently reom Consul-General Butler, at Alexandria, Egypt, a list of officers from America now in the service of his Highness the Khedive of Egypt, showing their grade and monthly pay, of which the following is a copy: Thaddeus P. Mott, General of a Division of Cavalry and Artilery, 2800f.; Walter H. Jenlier, Colonel and In-Walter H. Jesiler, Columb, 1864. [In particular of Law and Law are protected of Cavalry, 1866.] [In Bright Secretary, 1866.] [In Bri of Cavalry, 11964.; Henry R. H. McIvor, Lieutenant Colonel of Cavalry, 19661; William D. Dunlap,

FRANCE. PARIS, August 29.-The Moniteur of PARIS, August 29.—The Moniteur of this morning has the following: "As the attacks of McMahon and Bazaine persons, of whom eighty are court the attacks of McMahon and Bazaine upon the Prussians near Metz may be delayed for a day or two, and the road tal and telegaphic service, engineers,

tax for \$250,000. The County Court the future of France."
has refused to issue the bonds, and The Opinion Nationale says Palikao bating the removing of the seat of Government during the siege, either

tions as to general defense.

The Minister of War announces

The Minister of Agriculture and It is estimated that the bakers have at least fifteen days subsistence. Besides this, Ministers have collected at Paris 250,000 quintals of flour 15,000 quintals of rice, and an im-mense amount of potatoes, and fresh regetables of all sorts have been collected. 100,000 beeves, 500,000 sheep, and forage necessary for their tempo rary keeping. Salt, sugar, coffee and other articles of that nature are in sufficient quantities for the subsistence of Paris during three months, making
